The "sole trader" registered business named above is offered for sale together with the registered company name Integrity Transport Services Pty Ltd (if req) on a "walk in, walk out" basis (no GST applies) for the asking price of \$55,000.

This business has operated in Sth East Queensland since June 2007, never made a loss and there are no outstanding debts or known claims, owed or owing, other than normal monthly operating invoices as of this date, 17/7/10. Profit and Loss statements available on request to interested parties.

This business would particularly suit a semi-retired person operating from home who does not mind working some "odd" hours. ie. Some late nights, early mornings and weekends. Most weekdays could be spent at home or following other interests. It really is a part time business with full time income and potential to grow if that is what is wanted.

Full training and hands on assistance with all aspects of the business and ongoing support and advice for as long as required to ensure a smooth changeover to minimise any impact on clients.
